Order your beautiful artificial topiary balls (Set of 2 Balls) today online simply and easily.

Provides an instant evergreen appeal

We know you want great quality material - and we're here to deliver. Our artificial topiary balls are made from only the best top-grade materials and are carefully crafted to look just like the real thing. You'll barely be able to tell the difference. No matter the UV resistant product you choose, you can rest assured you are getting high quality artificial greenery that is fully certified and tested to last.

Safer for you and for the environment

We know how annoying plant allergies and insects can be, hence we strive to be the safer alternative for you and your loved ones. Our artificial topiary balls are made without harmful chemicals, including toxic plastics and heavy metals.

What's more, our plants aren't just safe for humans but they're also the more environmentally-friendly option. True to our commitment to our customers, we only use materials that don't harm mother earth and are 100% recyclable. We take the extra steps to ensure that our plants are ISO, REACH, and ROHS compliant.

Versatile and easy to install

The entire Designer Plants artificial topiary ball range goes great in so many spaces - both indoors and outdoors. Here are just a few ways you can use them & beautify your space today:

- Gardens and backyards
- Around swimming pools or family barbeque areas
- In large hallways or waiting areas
- Restaurants, cafés, or bookstores
- Spas, beauty parlors, clinics
- Patios or driveways
