

Premium Floating Half Moon / Semi Circle Metal Wall Planter | Onyx Black 45cm / 17.5"

Modern Black Wall Planter (Semi Circle)

Create a stunning living display on your walls with the "Verdant Haven" Premium Floating Half Moon Wall Planter, a marriage of elegance and modern design. This luxurious 45cm (17.5 inches) onyx black metal wall planter is meticulously crafted, combining durability with aesthetic appeal to transform any indoor or outdoor space.

Features of the "Verdant Haven" Wall Planter:

- **Versatile Use:** Ideal for both real and faux plants. Perfect for small plants, hanging foliage, and climbing vines.
- **Elegant Design:** Modern half moon shape in an onyx black finish, adding sophistication and contemporary charm to your décor.
- **Durable Material:** Made of premium powder-coated steel for durability and longevity.
- **Size:** Measures 45cm across (17.5 inches), providing ample space for creative plant arrangements.
- **Easy Installation:** Includes a simple yet secure mounting system with room for two screws, ensuring your planter hang beautifully and safely.
- **Floating Illusion:** The clever design gives a floating appearance, making your plants look like they're suspended in mid-air.
- **Application Flexibility:** Suited for both indoor and outdoor settings, it's an ideal accent for homes, offices, or outdoor areas.
- **Not suitable for holding water or planting outside with soil without a planting bag.**

Transform your space into a verdant oasis with the "Verdant Haven" Premium Floating Half Moon Wall Planter. It's not just a place to put plants; it's a canvas for your botanical artistry, ready to inspire and impress. Embrace the fusion of quality and design with this exquisite planter and let your imagination soar with each arrangement.
