

10inch UV Zip ties (wire, mesh or surfaces with holes) 100 Pack Cable Ties

UV-Resistant Cable Ties - 10 inches - 100 Pack

Take charge of your DIY project with our resilient UV-Resistant Cable Ties, the ultimate accessory for installing your Artificial Vertical Garden. Whether you're attaching foliage to a metal bar, cyclone fence, mesh, or trellis, these cable ties ensure a secure and straightforward installation process.

Product Specifications:

- **Dimensions:** Each cable tie measures 10 inches in length and 0.18 inches in width, providing ample reach and strength for various applications.
- **Quantity:** This pack contains 100 cable ties, providing you with enough quantity for large or multiple installations.
- **Durability:** Specially treated to resist UV damage, our cable ties are built to last. They are less prone to snapping from weathering, ensuring your green wall remains intact through the seasons.
