### **The artificial boxwood hedge that keeps its shape (with hardly any maintenance required)**

With our faux boxwood hedges, you won't need to do any trimming, pruning, or watering for years to come. Just dust it off or spray it with a bit of artificial plant cleaner and you're good to go. It's the most convenient option for busy people who just want to add a bit of charm to their gardens.

## Made with materials that are safe for you and your family

Our artificial boxwood hedges are made to last for a long time. They are highly durable and can withstand most weather conditions, but that's not all. Your health is our top priority, which is why we go the extra steps to ensure that our evergreen plants are ISO, REACH, and ROHS compliant. Our artificial boxwood hedge walls are also made completely free from harmful chemicals.

## Quick and easy installation

Our boxwood shrubs go great anywhere - indoors or outdoors. They can serve as a partition between spaces like your dining area and living rooms, or they can line your backyard for that cozy garden vibe. Installing these artificial boxwood hedge panels is simple, easy, and requires very few tools. Perfect for a chill afternoon of DIY home improvement.

## A naturally gorgeous privacy screen

Don't you get tired of those annoying neighbors just popping their heads over your fence or trying to take a peek into your house? We know the feeling! The good news for you is that our buxus hedge panels are so dense and versatile that you can use them as your very own privacy screen. Just make sure to install them a bit higher than your fence to keep those pesky neighbors out. Say hello to 24/7 privacy!
