Our artificial boxwood panels are incredibly versatile and easy to install, allowing you to customize your space with ease.

Each panel measures 40 x 40 inches and is designed with interlocking connectors, allowing you to seamlessly join multiple panels together to create a larger display. Simply snap the connectors into place and you're ready to go!

Installation is a breeze, with several options available to suit your needs. You can affix the panels to any flat surface using nails, screws, or adhesive tape. Alternatively, you can attach them to a frame or trellis for a more decorative look.

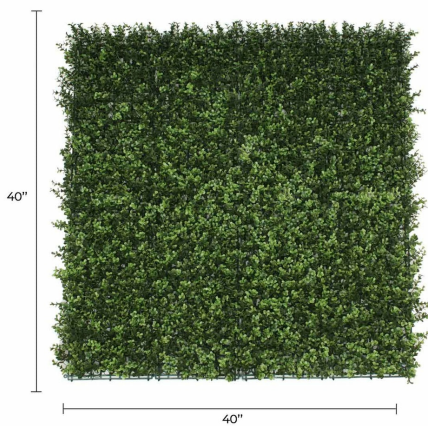

## Super easy DIY installation

Once installed, our boxwood panels require very little upkeep, making them an ideal choice for busy homeowners and professionals alike. No watering, trimming, or pruning required - just sit back and enjoy the beauty of your new green wall.

So whether you're looking to create a stunning garden display, add some privacy to your patio, or simply add a touch of greenery to your living space, our artificial boxwood panels are the perfect solution.

## Made with materials that are safe for you and your family

Our artificial boxwood hedges are made to last for a long time. They are highly durable and can withstand most weather conditions, but that's not all. Your health is our top priority, which is why we go the extra steps to ensure that our evergreen plants are ISO, REACH, and ROHS compliant. Our artificial boxwood hedge walls are also made completely free from harmful chemicals.

## Quick and easy installation

Our boxwood shrubs go great anywhere - indoors or outdoors. They can serve as a partition between spaces like your dining area and living rooms, or they can line your backyard for that cozy garden vibe. Installing these artificial boxwood hedge panels is simple, easy, and requires very few tools. Perfect for a chill afternoon of DIY home improvement.

## A naturally gorgeous privacy screen

Don't you get tired of those annoying neighbors just popping their heads over your fence or trying to take a peek into your house? We know the feeling! The good news for you is that our buxus hedge panels are so dense and versatile that you can use them as your very own privacy screen. Just make sure to install them a bit higher than your fence to keep those pesky neighbors out. Say hello to 24/7 privacy!
