Are you ready to instantly beautify your outlook? Whether you have a drab fence, lackluster entertaining area, or a plain wall that needs some sprucing up, we've got you covered. Our yellow faux boxwood hedge panels are the perfect solution to transform any space from dull to delightful!

Instant Outlook Enhancer (Indoors or Outdoors)

Our unique UV engineering technology ensures that each leaf is treated to stay brilliantly vivid, no matter the weather. And with each panel measuring a generous 40 inches square, you'll have ample coverage to create a lush greenery backdrop.

Plus, the panels are easily connected, cut, and joined together, allowing you to customize the size and shape to fit your specific needs. Whether you need a small panel to cover a bare spot or a large wall of greenery to create a cozy oasis, our panels are versatile enough to handle it all.

With our yellow artificial boxwood hedge panels, you'll get all the benefits of a beautiful green space without any of the hassle of ongoing work. You won't have to worry about watering it daily, stressing about whether it's getting enough sunlight, or installing irrigation pipes, heavy metal backing, or plastic plant pots. Plus, you won't have to worry about overgrowth or spending hours trimming and pruning it to your desired shape.

Try them out today and see the difference they can make in transforming your space!

Goes great both indoors and outdoors

Installing your artificial boxwood hedge is a straightforward and easy weekend DIY project. You can set it up anywhere you like - it looks great both indoors and outdoors!

Each boxwood panel comes with a click and join system, allowing you to join multiple panels effortlessly. Depending on where you want them, you can also trim the panels to your desired shape. Want a draping overgrown hedge look or would you prefer a more manicured finish? It's all up to you! We assure you that this will be one of your best DIY projects ever.

Crafted with our environment in mind

You can rest assured knowing that all our artificial boxwood hedge mats are ROHS compliant, REACH certified and manufactured under ISO standards for quality.

A brilliant solution to your privacy problems

Have you ever felt like someone is watching you even in the privacy of your own home? Chances are - it's your neighbors. Boost your home privacy with our faux yellow boxwood hedge panels. The dense foliage and interlocking grids can serve as a wonderfully discreet privacy screen.

You can mount your artificial boxwood panel right on your backyard fence, along your patio or balcony, or around any area that you want to keep hidden from sight, or simply with to enjoy looking at.
