### Bring Your Wall To Life Instantly

Thoughtfully crafted with our advanced UV protection technology, this faux plant wall is sure to last for a long time. Unlike a real garden that demands daily maintenance, you'll only need to dust off your fake plants once in a while and you're good to go.

Get that lush, green country paradise you've always wanted. No watering needed!

- ✓ Instant Beautification & Results
- ✓ Extremely Dense & Lifelike in Appearance
- ✓ High-quality UV Engineered
- ✓ Long-term Results

### Add Nature to Your Space with Our Luxurious Artificial Vertical Garden Panel & Save Time and Money

Looking to add a touch of nature to your indoor or outdoor space? Our Country Fern artificial vertical garden panel is the perfect choice for you. With stunning natural green hues and 'pops' of color, this majestic panel is designed to impress and bring life to any space.

Real plants are lovely, but their maintenance can be a pain. They require so much care, including:

- Installing them in places where they can get enough sunlight
- Watering them daily
- Trimming
- Applying fertilizer and pesticides
- Sweeping up fallen leaves
- Just keeping them from dying

### Instant Results for the Do-it-yourself installer

Our vertical garden panel is not only beautiful, but it's also super easy to install. No need to hire a professional, simply order

the required number of panels and in no time you'll have a stunning evergreen outlook.

#### Key Benefits of our Country Fern Faux Living Wall:

- Perfect for DIY installation
- Ideal for both indoor and outdoor settings
- Provides an evergreen setting
- Stunning and lifelike appearance with beautiful color
- Highly durable and reusable in different areas

#### The artificial vertical garden that keeps you staying green all day, every single day

Designer Plants' wall panels are protected with in-leaf UV blocking technology that allows them to retain their vibrant green hues. Backed with a 5-year guarantee, our state-of-the art UV protection will put you at ease and allow you to simply enjoy your beautiful plant wall decor.

#### A perfect DIY garden for anywhere

Looking for an easy and satisfying DIY project? Look no further - our fake vertical garden walls are equipped with a convenient snap and lock system that lets you combine multiple panels. These panels can easily be cut and trimmed to your desired shape, allowing you to get creative and install them wherever you like.

Designer Plants' plant panels suit virtually any surface, including:

- Office or clinic walls
- Reception areas
- Hallways
- Kitchen and dining areas
- Outdoor walls
- Patios and balconies
- Backyards and gardens

You can also use them to keep any nosy neighbors or strangers away by strategically placing them along your fences. The Country Fern Artificial Vertical Garden panel is perfect for adding privacy due to its richly dense foliage.

#### The earth-friendly option

We use 100% recycled materials to craft our beautiful faux plant wall art. Our products are free from harmful chemicals, including heavy metals, and are ISO, REACH, and ROHS compliant.

You won't need to worry about inhaling toxic pesticides or using up so much water to keep your plants alive. By using our gorgeous faux foliage, you are doing your part to help save the earth - all while keeping your home or office elegantly fresh.
