

Premium Potted Artificial Square Topiary Plant 22" UV Resistant (Clearance)

Premium Potted Artificial Square Topiary Plant

Enhance your space with the timeless elegance of our Premium Potted Artificial Square Topiary Plant. Standing at approximately 22 inches in height, this lifelike topiary brings the beauty of perfectly manicured greenery to your home, office, or outdoor space—all without the hassle of watering or maintenance.

Realistic Design: Crafted with high-quality materials, this artificial topiary plant looks and feels just like the real thing. The meticulously shaped square topiary, combined with realistic leaves, adds a modern and sophisticated touch to any setting, whether indoors or outdoors.

Versatile Usage: This versatile topiary is ideal for both indoor and outdoor use. Whether you're looking to create an elegant statement piece in your living room, spruce up your patio, or line your walkway with a series of topiaries, this plant is designed to meet your needs. It can be used in pots or placed side by side to form a stunning artificial hedge.

Ready-to-Display: Each topiary comes in a standard black plastic pot, measuring approximately 5-6 inches in diameter, making it easy to set up and display right out of the box. The pot height accounts for about 9 inches, with the topiary foliage extending roughly 13 inches above, giving you a full and lush appearance.

Low Maintenance, High Impact: Enjoy the aesthetic appeal of greenery without the upkeep. This artificial topiary requires no watering, pruning, or special care—just occasional cleaning with artificial plant cleaner to keep it looking fresh and vibrant.
