Thoughtfully crafted with our advanced UV protection technology, this faux plant wall is sure to last for a long time. Unlike a real garden that demands daily maintenance, you'll only need to dust off your fake plants once in a while and you're good to go.

Get that lush, green country paradise you've always wanted. No watering needed!

With a pop of colour, and stunning life-like palm leaves you'll be truly impressed.

Looking to add a touch of nature to your indoor or outdoor space? This truly beautiful artificial vertical garden panel is the perfect choice for you. With stunning natural green hues and 'pops' of color, this majestic panel is designed to impress and bring life to any space.

Our vertical garden panel is not only beautiful, but it's also super easy to install. No need to hire a professional, simply order the required number of panels and in no time you'll have a stunning evergreen outlook.
