ONE SIZE FITS MOST!

Designer Plants Faux Trellis Lattice Lifelike Design Expands and Closes to Fit Any Fence, Wall, or Railing.

There were no corners cut when developing our 2nd generation RealTex Expandable lattice system; Designed using our exclusive TruTech Plastic® frame and our exclusive LDPE 3D leaf design, our lattice is designed to last for years in any outdoor climate. Unlike typical wood framed lattice with silk ivy leaves which last for 1-2 years, our proprietary plastic frame and RealTex 3D Leaf design, offers 30% more privacy and lasts 50% longer than the competition. One person can easily fit and install the lattice in minutes. There is not easier way to bring lifelike greenery to any space.
