

Premium Artificial Topiary Tree 2 Ball UV Resistant 33"(H) x 14"(W)

Add timeless charm and structure to your décor with the **Premium Artificial Boxwood Topiary Tree – 2 Ball Design**. Standing at **33 inches (83cm) high** and **14 inches (36cm) wide**, this double-ball topiary makes a striking statement in any setting, from elegant entryways to patios, balconies, or commercial spaces.

Crafted with **UV-resistant foliage**, it is designed to withstand outdoor sunlight without fading. Unlike real plants that need watering, pruning, and constant attention, this topiary requires **zero maintenance**, staying lush and vibrant all year round.

Key Benefits

- **Double ball design** for a formal, sculpted look
- **UV resistant**—suitable for outdoor or indoor use
- **Maintenance-free**—no watering, trimming, or pests
- **Reusable & long-lasting** greenery
- **Versatile décor piece**—ideal for homes, offices, and events

Key Details

- **Height:** 33" / 83cm
- **Width:** 14" / 36cm
- **Weight:** ~5–6 kg (≈ 11–13 lbs)
- **Material:** High-quality, recyclable PE plastic
- **Pot:** Comes with a sturdy black pot, ready to use or display in a decorative planter
- **Applications:** Perfect for entrances, patios, gardens, lobbies, and weddings

Why Choose This Artificial Topiary?

The **two-ball design** creates a sense of elegance and symmetry, offering the beauty of a carefully pruned live topiary—without the upkeep.
