

Premium Artificial Topiary Tree Single Ball UV Resistant 63(H)*36(W)cm

Bring timeless elegance to your home, garden, or business with our **Premium Artificial Boxwood Topiary Tree (Single Ball)**. Standing at **25 inches (63cm) high** and **14 inches (36cm) wide**, this classic piece is perfect for flanking entrances, decorating patios, or styling interior spaces.

Unlike real plants that demand constant watering, pruning, and sunlight, this topiary is **completely maintenance-free**—keeping its lush green appearance all year round. Crafted with **UV-resistant foliage**, it withstands sun exposure without fading, making it suitable for both indoor and outdoor use.

Key Benefits

- **Classic single ball design**—a timeless, elegant look
- **UV resistant & weatherproof** for outdoor durability
- **Low maintenance**—no watering, trimming, or fertilizing
- **Reusable & long-lasting** greenery for any setting
- **Versatile styling**—perfect for entryways, patios, gardens, or offices
