

Hanging Artificial Cedar Pine Cone Basket 18" UV Resistant

Hanging Artificial Cedar Pine Cone Basket (18.1") UV Resistant

Infuse your home or garden with a cozy woodland vibe using this Hanging Artificial Cedar Pine Cone Basket. With a diameter of 18.1 inches (46cm), this lush arrangement combines dense, lifelike cedar pine foliage with rustic pinecones nestled among the greenery—creating a seasonal charm that lasts all year.

Designed for durability and realism, this basket includes a sturdy coconut liner and pre-attached hanging chain.

Key Features:

- **Dense Cedar Needle Foliage**
Realistic textures and deep green tones for a natural look.
- **Decorative Pine Cones**
Scattered pine cones add rustic character and charm.
- **UV Protected**
Built for outdoor use—resists sun fade and weathering.

Customer Reviews:

★★★★★

"It's so cozy-looking! I use it all year but it's especially perfect for the holidays." — Natalie H.

★★★★★

"Looks incredibly realistic, and the pinecones give it a winter cabin feel. Love it!" — Greg S.

How to Use:

- Hang on patios, garden arches, or entryways.
- Display during the holiday season or year-round for rustic charm.
- Use indoors in sunrooms or above fireplaces.

Care Instructions:

- Gently dust or wipe foliage and pine cones as needed.
- Store indoors during extreme weather for maximum lifespan.
