

Set of 8 Artificial Potted Split Philodendron (Monstera) Plants 20"

8 x Potted Plants

Bring a modern touch of the tropics into your space with this **set of 8 lifelike artificial Split Philodendron (Monstera) plants**. Each plant is expertly designed to mimic the lush look of real Monstera leaves — rich in color, detailed with natural fenestrations, and crafted from RealTex Materials, non-toxic plastic. Whether you're styling a home, office, or retail environment, these compact faux plants deliver lasting vibrance without the maintenance.

Why You'll Love This Set:

- **Sold as a Set of 8:** Every order includes *eight* individual Monstera plants — ideal for bulk decorating or resale.
- **Lush & Realistic:** The broad, split leaves are arranged for a dense, full look that mimics real tropical foliage.
- **Fade-Resistant & Durable:** Built with UV-resistant materials to help maintain color in indoor or shaded outdoor settings.

Product Details (Per Plant):

- **Total Height (pot base to top leaf):** 20 inches
- **Maximum Plant Width:** 20 inches

Where It Works Best:

- Living rooms, kitchens, and entryways
- Office desks, waiting rooms, and co-working spaces
- Retail counters, event setups, or hospitality décor
- Thoughtful gifts for plant lovers (no water or sunlight needed!)

Materials & Care:

- Made from **high-quality, non-toxic plastic** for safety and realism
