-

Customer Reviews:

★★★★

"These green aeoniums look incredibly real. I mixed them with white stones in a ceramic pot and it's stunning." — Jenna K.

★★★★

"Perfect for my shop display—customers even try to water them!" — Luis M.

Styling Tips

- Arrange all 5 in a wide planter for impact
 - Pair with trailing greenery for texture
 - Create a colorful succulent wall or shelf display
-

Care Instructions

- No watering or pruning required
- Lightly dust or wipe with a damp cloth if needed
- Store indoors during extreme heat for longevity
