

# Tropical Vibe Artificial Vertical Garden / Green Wall Panel 35" x 35" UV Resistant (Fire Retardant)

## Built to Last. Designed to Impress | Evergreen Faux Vertical Garden

**New Arrival, Arriving for Dispatch End of April 2025**

Unlike live plants that need daily care and the perfect environment to thrive, our artificial green wall panels stay beautiful year-round with zero maintenance. No watering. No trimming. No pests. Just lush greenery, day after day.

- ☐ **UV Protected** – Resistant to fading and built for full sun exposure
- ☐ **Fire Retardant to NFPA Standards** – Peace of mind for commercial installations
- ☐ **Reinforced Metal Grid Backing** – Strong and secure for indoor or outdoor use
- ☐ **Architecturally Designed** – Lifelike textures, layering, and depth
- ☐ **Dust occasionally and you're done** – That's it!

### Commercial Grade Artificial Green Wall Product Specifications:

- ✓ **Panel Size:** 35" x 35" (90cm x 90cm)
- ✓ **Depth:** Approximately 4–8 inches (10–12cm)
- ✓ **Weight:** Approx. 18 lbs (7-8kg)
- ✓ **Backing:** Heavy-duty metal mesh for secure fixing (commercial grade backing) - 0.138" / (3.5mm) thick commercial mesh with
