

Self Drilling Screws & Washers for Board Or Metal (Brick or Cement Board) 50 Pieces

Set of 50
(50 Washers & 50 Screws)

Bulk Screw and Washer Set (Self Drilling) 50 Pieces

Introducing our 50-piece Self-Drilling Screws, perfect for both masonry and metal applications. Designed to simplify your installations, these screws are ideal for securely attaching artificial green wall panels to brick or cement board surfaces without pre-drilling. The sharp, self-tapping tips ensure a snug fit and easy penetration, making your projects quicker and more efficient. Durable and corrosion-resistant, these screws are suited for both indoor and outdoor use, providing a reliable solution for a variety of tasks. Whether you're a professional or a DIY enthusiast, these screws are a must-have for efficient and sturdy installations.
