## Example Reviews:

### "Stunning Centerpiece!"

The large size and the gold frame really make this hanging disc a centerpiece in my living room. I love how realistic the plants look, and it was so easy to hang up. Highly recommend!

— Jessica, CA

### "Perfect for My Patio"

This is exactly what I needed for my outdoor space. It adds such a lush, elegant feel to my patio, and the fact that it's UV resistant is a huge plus. I've had it out there for months, and it still looks brand new.

— *Michael, TX*

#### **"Beautiful Addition"**

The gold frame adds a nice touch of luxury to my home office. The plants are super realistic, and I've gotten so many compliments on it. It's a bit on the larger side, so make sure you have space for it!

## **FAQs:**

### **Q: Is the gold frame weather-resistant?**

**A:** Yes, the frame is made of durable metal designed for both indoor and outdoor use. While the UV-resistant greenery will stand up to the sun, we recommend placing it in a covered area if it's outside to prevent exposure to heavy rain or snow.

### **Q: How do I hang this large disc?**

**A:** The hanging disc comes with a sturdy chain for easy installation. Just ensure the hook or bracket you're using can support its weight.

### **Q: Is this item heavy?**

**A:** Despite its large size, the disc is lightweight and easy to handle, making installation a breeze.

### **Q: Can it be used in commercial settings?**

**A:** Absolutely! This piece is perfect for commercial spaces such as offices, cafes, or restaurants, providing greenery without the maintenance of live plants.

### **Q: How do I clean it?**

**A:** A quick wipe with a damp cloth or a light dusting is all you need to keep this piece looking fresh and vibrant.
