

# Black Framed Roof Hanging Disc With Tropical Foliage Mix and Draping Stems 23.5" UV Resistant

Create a fresh and natural atmosphere with our **Black Framed Hanging Disc**, featuring a dynamic mix of tropical foliage and draping stems. At 23.5 inches (60 cm) in diameter, this mid-sized decorative piece is perfect for bringing greenery to smaller spaces or adding accent décor. The lifelike foliage is UV resistant, making it suitable for both indoor and outdoor use, ensuring that its vibrant colors remain intact even when exposed to sunlight.

The sleek black frame provides a contemporary design that pairs well with the lush greenery, making it a versatile statement piece for any room or garden. The draping stems add depth and movement, making it a visually captivating décor option for patios, living rooms, or entryways.

## Key Features:

- **Size:** 23.5 inches (60 cm) in diameter
- **UV Resistant:** Engineered to withstand direct sunlight without fading
- **Realistic Tropical Foliage:** A mixture of ferns, stems, and other lush greenery for a vibrant look
- **Stylish Black Frame:** Offers a modern touch to your décor
- **Low Maintenance:** No need for watering, trimming, or sunlight
- **Easy to Install:** Comes with a sturdy hanging chain for quick installation

## Perfect For:

- Adding greenery to patios, decks, or garden walls
- Indoor spaces such as living rooms, hallways, or kitchens
- Commercial use in restaurants, cafes, or office spaces looking for low-maintenance décor

## Example Reviews:

### "Perfect for My Porch!"

I was looking for something green to hang on my porch without having to water it all the time, and this was perfect! It's held up really well in the sun, and the ferns look so real.

— Alex, CA

### "Stylish and Low

#### **Maintenance"**

I hung this in my office, and it instantly changed the feel of the room. The best part is that I don't have to worry about watering or dead leaves—it always looks fresh!

— Jamie, NY

### "Great Size for Small Spaces"

This 23.5-inch disc was the perfect size for my apartment balcony. I love the mix of plants, and it was super easy to hang. I only wish it came in a few more color options.

— Sam, IL

## **FAQs:**

#### **Q: Is this suitable for outdoor use?**

**A:** Yes, the greenery is UV resistant, meaning it won't fade under sunlight, making it perfect for both indoor and outdoor spaces.

#### **Q: How do I hang this disc?**

**A:** The disc comes with a durable hanging chain, so all you need is a sturdy hook or bracket to display it securely.

#### **Q: How do I maintain it?**

**A:** This item is maintenance-free! Simply wipe it with a damp cloth or use a feather duster to keep it looking fresh.

#### **Q: Can it withstand all weather conditions?**

**A:** While it's UV resistant, we recommend placing it in a covered area if used outdoors to protect it from heavy rain or extreme weather conditions.

#### **Q: Can I combine this with other sizes for a wall display?**

**A:** Absolutely! This piece pairs beautifully with other sizes or wall décor items, giving you flexibility to create your ideal look.
