

Gold Framed Roof Hanging Disc With Tropical Foliage Mix and Draping Stems 23.5" UV Resistant

Enhance your décor with our elegant **Gold Framed Hanging Disc**, featuring a beautiful mix of tropical greenery and draping ferns. Measuring 23.5 inches (60 cm) in diameter, this decorative piece is perfect for adding a touch of nature to indoor or outdoor spaces. The UV-resistant foliage ensures that the greenery remains vibrant even when exposed to sunlight, making it ideal for patios, porches, or living rooms.

The sleek gold frame complements the lush greenery, offering a chic and contemporary design that fits into any setting. With effortless installation and no maintenance required, this hanging disc provides the beauty of real plants without any of the upkeep.

Key Features:

- **Size:** 23.5 inches (60 cm) in diameter
- **UV Resistant:** Foliage stays vibrant and fresh even in direct sunlight
- **Lifelike Foliage:** Features a mix of tropical plants and trailing stems for a full, lush look
- **Chic Gold Frame:** Adds a modern, elegant touch to your décor
- **Low Maintenance:** No watering, trimming, or care needed
- **Effortless Installation:** Comes with a sturdy metal chain for easy hanging

Perfect For:

- Indoor areas like living rooms, kitchens, or bedrooms
- Outdoor spaces such as patios, porches, or balconies
- Commercial settings such as cafes, restaurants, or offices that want a touch of greenery without the hassle

Example Reviews:

"A Beautiful Accent Piece"

The gold frame and vibrant plants made this disc a stunning addition to my living room! I love the mix of tropical greenery, and it's super easy to hang. Perfect for my space!

— *Hannah, GA*

"Great for My Balcony!"

I wanted something stylish yet low-maintenance for my balcony, and this hanging disc was just the thing. It's been outside for months, and the plants haven't faded at all. The gold frame adds a nice touch of elegance.

— *Megan, FL*

"Stylish and Low Maintenance"

The greenery looks great, and I love that it doesn't need any care. The gold frame gives it a modern feel, but I wish it came in a few different color options for the frame. Overall, very happy with it!

— *James, NY*

FAQs:

Q: Can this hanging disc be used outside?

A: Yes, the UV-resistant foliage ensures it can be used in outdoor spaces without fading. However, it's best placed in a covered area to protect it from heavy rain or snow.

Q: Is this easy to hang?

A: Absolutely! The disc comes with a strong metal chain, so you can easily hang it from a ceiling, wall, or pergola.

Q: How do I clean it?

A: Maintenance is minimal. You can easily clean the foliage by dusting it off with a dry cloth or wiping it with a damp cloth if needed.

Q: Is the gold frame durable for outdoor use?

A: Yes, the frame is made from sturdy, weather-resistant metal, designed for both indoor and outdoor use.

Q: Can I use this piece in a commercial space?

A: Definitely! This stylish, low-maintenance greenery is perfect for commercial spaces like restaurants, offices, and cafes.
