- **Low Maintenance:** No watering or trimming needed

### Perfect For:

- Indoor spaces like living rooms, offices, and entryways
- Outdoor patios, balconies, or gardens
- Commercial spaces like cafes, restaurants, and shops

### Example Reviews:

#### "Love the UV Protection!"

I placed this on my patio, and it looks stunning! The foliage hasn't faded at all, even in the sun. It's been up for over 3 months now, and it still looks brand new. Great addition to my outdoor space!

— Jenna, TX

**"Beautiful and Easy to****Hang"**

This was exactly what I needed for my office. It adds just the right amount of greenery without any maintenance. The black frame also gives it a really modern look. It's super easy to hang up too!

— *Michael, CA*

**"Great for Outdoor Spaces"**

I bought this for my balcony, and it adds such a fresh vibe! The ferns hang nicely, and it looks very natural. The only thing is I wish it came in a larger size too!

— *Sandra, FL*

**FAQs:****Q: Is this item really UV resistant?**

**A:** Yes! The foliage is specially treated to resist fading when exposed to sunlight, making it perfect for outdoor use.

**Q: Can I hang this indoors?**

**A:** Absolutely! This hanging disc is versatile enough for both indoor and outdoor spaces. It's a great way to add greenery to any room without worrying about sunlight or watering.

**Q: Does it come assembled?**

**A:** Yes, the hanging disc arrives fully assembled and includes a metal chain, so you can hang it up right out of the box.

**Q: How do I clean it?**

**A:** Cleaning is simple—just wipe down with a damp cloth or use a feather duster to remove any dust.

**Q: What materials is it made of?**

**A:** The frame is made of durable, lightweight metal, and the foliage is crafted from high-quality plastic with UV protection for long-lasting use.
