"Great Addition to My

Office"

I hung this in my office, and it has made such a difference. The greenery is vibrant, and the silver frame makes it feel very contemporary. It was super easy to hang, too!

— Jack, TX

"Stylish and Practical"

The size is just right for small spaces, and I love that it requires no upkeep. The silver frame adds a nice modern touch, but I wish there were more color options for the greenery itself.

FAQs:

Q: Is this hanging disc suitable for outdoor use?

A: Yes! The UV-resistant foliage ensures that the plants stay vibrant even in outdoor spaces. However, it's best to hang it in a covered area to protect it from harsh weather conditions.

Q: How do I install it?

A: The disc comes with a strong metal chain that can easily be hung from hooks, brackets, or ceilings. Just ensure the hook or support can handle the weight.

Q: How do I clean it?

A: The foliage requires minimal maintenance. Just wipe it down with a damp cloth or use a feather duster to remove dust.

Q: Is the silver frame durable enough for outdoor conditions?

A: Yes, the silver frame is made from lightweight, weather-resistant metal that is designed to hold up both indoors and outdoors.

Q: Can I use this in a commercial setting?

A: Absolutely! This stylish hanging disc is perfect for adding greenery to office spaces, retail stores, and restaurants, providing a low-maintenance décor option.
