

Black Framed Roof Hanging Disc With Draping Faux Plants 24"

Enhance your interior décor with our Hanging Artificial Green Wall Disc, featuring a sleek medium-sized black frame. This exquisite piece is an effortless way to add a touch of verdant splendor to your space, emulating the lushness of a hanging garden without the need for regular care. Each disc is artfully handcrafted, ensuring a unique charm with slight variations and subtle imperfections that add to its character.

The modern black disc provides a stunning contrast to the vibrant greenery, creating an eye-catching focal point that breathes life into any room. It's particularly ideal for commercial settings such as cafes or event venues, where it can set a refreshing ambiance with minimal upkeep.
