

Slimline Flowering White Artificial Green Wall Disc UV Resistant 40" (White Frame Wall Art)

Elevate your space with the **Large Flowering White Artificial Green Wall Disc**, an exquisite piece of wall art designed to bring the beauty of a vertical garden into your home or outdoor space. Featuring UV-resistant plants and a weather-proof, high-quality white metal frame, this stunning disc is perfect for creating an evergreen setting without the hassle of real plants. Each disc is hand-assembled to ensure a unique and durable piece that you'll love for years to come.

Ideal for both indoor and outdoor environments, this large wall art disc is an elegant and budget-friendly solution to add a touch of nature to your walls. Whether used as a statement piece in your living room or as a feature on your patio, this green wall disc offers the beauty of a real garden without the upkeep.

Key Features:

- **Size:** 40 inches (100 cm) in diameter; approximately 4 inches (10 cm) in depth, including foliage that varies in size
- **Weight:** 17.6 lbs (8 kg)
- **UV Resistant:** The foliage is designed to resist fading, even when exposed to sunlight
- **Weather-Proof Frame:** Durable white metal frame ensures longevity, indoors or outdoors
- **Hand-Assembled:** Each piece is carefully crafted for a unique, high-quality design
- **Easy Installation:** Can be installed just like hanging a picture frame (installation equipment not included but available for purchase)

Perfect For:

- Indoor spaces like living rooms, bedrooms, and entryways
- Outdoor areas such as patios, porches, or garden walls
- Commercial spaces including offices, restaurants, and retail stores

Example Reviews:

"Absolutely Stunning!"

This wall disc has completely transformed my living room! It's so easy to install, and the white frame makes it look so elegant. The plants look incredibly lifelike, and I love that they're UV resistant!

— *Melissa, FL*

"Great Quality and Easy to**Hang"**

I hung this in my outdoor patio area, and it looks fantastic. The white frame is weather-proof, and the plants have held up well against the sun. Installation was super easy too!

— *Jacob, TX*

"Beautiful and Durable"

The green wall disc was the perfect solution for my home office. It's lightweight, and the white frame adds a modern touch. My only suggestion is to include the installation hardware, but it's still worth the price.

— *Sarah, CA*

FAQs:**Q: Is this wall disc suitable for outdoor use?**

A: Yes, the UV-resistant plants and weather-proof white metal frame make it perfect for outdoor spaces without worrying about fading or damage from the elements.

Q: How do I install this wall disc?

A: Hanging this disc is as simple as hanging a picture frame.

Q: How do I clean the foliage?

A: You can use an artificial plant cleaner to keep the foliage looking fresh and dust-free.

Q: How much does the wall disc weigh?

A: The disc weighs approximately 17.6 lbs (8 kg), so make sure to use appropriate hardware for secure installation.

Q: Can this be used in commercial settings?

A: Absolutely! This piece is perfect for adding a touch of greenery to commercial spaces such as restaurants, offices, or retail stores.
